I must defer to our alternate date of 11/3@ 9:00AM Central. The availability of all personnel needed by SBC to make the call productive for all involved has not been confirmed. I am forwarding a portion of SBC's response to SCC's revisions to the 911 Appendix. Further revisions are underway and will be completed today. I will forward the same to you once completed.

Dear Ron,

We assume from your e-mail message earlier this week that the conference call we discussed having today is on schedule for 1 pm mountain time, 2 pm central time, and 3 pm eastern time.

Will the bridge number and password remain the same? Please confirm.
